

## **BASIC MARKETING PRINCIPLES**

**AIM:** This 6-week ONLINE course aims to provide participants with an understanding of the fundamentals of Marketing and how it applies to their business.

**OBJECTIVES:** At the end of this 6-week programme, participants will:

- ✓ Understand the fundamentals of all 7 elements of Marketing and how each applies in a business context.
- ✓ Appreciate the importance of addressing all elements of Marketing equally and not just focusing on the Promotion (Selling) aspect.
- ✓ Develop a broad framework which they can use to assess the feasibility of their business idea.

### **Course Outline:**

**Session 1:** Introduction to Marketing Principles – Marketing Terminology; *7 Elements of Marketing*

**Session 2:** Product /Service & Pricing – *Market Research; Market Segmentation; Pricing Strategies*

**Session 3:** Physical Evidence – *Business Image & Profile; Branding & Packaging*

**Session 4:** Placement - *Selling Platforms; Choosing the correct market for your product/service*
