

PROGRAMME TITLE: COSTING & PRICING WORKSHOP

AIM: To provide participants with an insight into the importance of costing and pricing for every entrepreneur, and the impact it has on the financial orientation of your business.

OBJECTIVES: On completion of this workshop, participants will:

- Understand how to price their product or service.
- Be aware of how pricing influences selection of routes to market and business models.
- Be cognisant of how pricing relates to development of financial projections.

COURSE CONTENT includes:

- Pricing Psychology: What is your product worth?
- Your Costs – upfront development, marginal costs/costs of sales
- Pricing Pitfalls – competitors, fairness, pirates, switching
- Business Strategy – choosing your business model
- Managing pricing – discounting and changing your prices.
